

IN CASE OF AN ACUTE EMERGENCY

STOP, STOP, STOP

Anyone may declare an emergency:

- Shout clearly and loudly: **"stop, stop, stop!"**
- Press the red button

Everyone:

- **Cease fire immediately**
- Release the trigger
- Place your firearm on the firing point with the barrel pointing toward the bullet trap
- Do not touch any firearms or ammunition
- Step behind the yellow line
- Wait for instructions from the **range officer**

Additionally, in case of a medical emergency:

- Provide first aid if needed

IN CASE OF A NON-URGENT SITUATION

STOP VUREN EN ONTLADEN

Preparation:

- Walk past all shooters and indicate that a temporary ceasefire is requested
- Shooters may finish their current shot
- Announce: **“Stop vuren en ontladen”**
- Press the red button

Everyone:

- Cease fire and release the trigger!
- Remove the clip
- Empty the chamber or cylinder (not by firing!) and insert the chamber flag
- Place the firearm on the firing point with the barrel pointing toward the bullet trap
- Step behind the yellow line
- Wait for instructions from the **range officer**
- **Do not enter the range without permission!**
